

Photographic & Videographic Image Consent Form

Photograph and videos are stimulating forms of media which can motivate and inspire learners. Research has shown that using forms of media in education can help encourage creativity, motivation, as well as improve communication and team-working skills.

Mohill Community College asks that parent(s)/guardian(s) consent to their son/daughter being featured in photographic and videographic promotional material if their son/daughter is under the age of 18 years. Where a learner is 18 or older, he/she is capable of giving such consent. This form is requesting that consent be given for each use of photograph or video footage. If such consent is given, the following procedures will apply with regard to taking photographs or video footage of learners in Mohill Community College.

- 1) Staff will be aware of possible Child Protection issues when taking photographs of learners and in relation to where these photographs are used.
- 2) Learners may be identified in these publications in recognition of their participation in events/activities, except where the publication is online.
- 3) Learners in photographs or videos published on MSLETB's and/Mohill Community College website will not be named or identified in any way other than by group eg finalist basketball team.
- 4) Consent to the processing of a photograph and/or video can be withdrawn at any time by filling out a Consent Withdrawal Form which is available at www.msletb.ie and submitting it to the college/centre or directly to MSLETB's Data Protection Officer at dataprotection@msletb.ie. If you choose to withdraw your consent, the college/centre will no longer use your photographic or videographic image for the purposes set out below. However, processing already carried out may not be able to be redacted eg if a photograph was published in a newspaper or past yearbook already printed.

- 5) All online media promotion on behalf of the college/centre is underpinned by our Internet Safety Policies which can be located at www.mohillcommunitycollege.ie Internet Safety Policies
