Re: SPHE and RSE Programme

Dear Parent/Guardian,

I am writing to inform you about the Social, Personal and Health Education Programme which is a core part of the post primary school curriculum. S.P.H.E. provides a unique and exciting opportunity for students to develop skills and competence, to learn about themselves and others and to make informed decisions about their health, personal lives and social development.

Relationship and Sexuality Education (RSE) is one module within the S.P.H.E. curriculum. It is a developmental process through which pupils participate in order to cultivate a healthy attitude towards themselves and others, particularly in the area of sexuality and relationships. This module will be taught to all year groups from first to sixth year. These classes will take place in March and April this year. A complete breakdown of the S.P.H.E. curriculum, which includes comprehensive details on the RSE module, is available for your information on <https://www.curriculumonline.ie/senior-cycle/sphe/> for Senior Cycle and <https://www.curriculumonline.ie/junior-cycle/short-courses/sphe/sphe-2023/overview-course/> for Junior Cycle.

As you are the primary educators of your children, we recognise the right of any parent/guardian who so wishes to request that his/her son/daughter should not participate in the programme. The school will respect this choice. Where students are withdrawn from RSE, the school cannot take responsibility for any versions of class content passed on to them by other students. Any Parent/Guardian who wishes to withdraw his/her son/daughter must contact the Deputy Principal to make their wishes known. This request should be made in writing as soon possible in order to allow for the provision of supervision for these students; otherwise, the student will take part in the RSE classes.

Please feel free to contact the school to discuss this matter.

Yours sincerely,
